## DETAILED ACTION

1. Amendment filed on 01/19/2007 has been entered.
2. Claims 1-20 are presented for examination.

### *Reasons for Allowance*

3. Claims 1-20 are allowed.

The following is an examiner's statement of reasons for allowance:

Claims 1-20 include allowable subject matter since the prior art made of record and considered pertinent to the applicant's disclosure does not teach or suggest the claimed limitations. The prior art and others, does not teach the claimed invention having an apparatus of a MRAM cell and a method for performing a write operation to MARM cell including a pair of writing magnets, one of the pair of writing magnets disposed opposite the first end of the magnetic device and separated from the first end of the magnetic device by an insulator, another of the pair of writing magnets disposed opposite the second end of the magnetic device and separated from the second end of the magnetic device by an insulator, wherein the pair of writing magnets switches a magnetic alignment of the magnetic device during a write operation, and generating a field strength using the writing magnets, the field strength capable of switching a magnetic alignment of the magnetic device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
